

YOUR IMPACT AROUND THE WORLD

United States

About **50,000** women and girls are trafficked into the U.S. each year from places where we work.

South Sudan

934 women improved their income and safety through She Is Safe Transformation Groups.

Uganda

23 women began saving and lending, and improved health, safety and income. 2 new local leaders were trained.

Middle East

Where exploiters target refugee girls for forced marriage, **409** girls were set on a path of freedom through vocational training.

Nepal

Where traffickers sell girls into the sex trade in India, you helped to prevent **100** girls to be safer through income-generation.

India

Where women and girls are most vulnerable to traffickers, you helped **3,063** gain skills and hear the gospel.

Myanmar

In a country doing the least to tackle human trafficking, you helped **110** women receive skills and learn abuse and trafficking prevention.

Indonesia

Where sex tourism enslaves 80,000 children, you helped to equip **692** women with skills and **5,310** mothers and **8,110** children in trafficking and abuse prevention.

12-MONTH IMPACT

20,803 people, mostly women and girls, benefited from a program of prevention, rescue and restoration.

Additionally, **60,325** children gained Abuse Prevention and Recourse training along with a Hotline for Help.
